**We keep it COOL....**

**POLARPLAS®** a leading global plastic converting and moulding company, with a state-of-the-art manufacturing facility in rotational and injection moulding based out of Gujarat, India. The parent company established in 1996 as a green field project from Iceland went through different transformation and structural changes in its 25 years of existing, and now reincarnated to **POLARPLAS®**

**POLARPLAS®** manufacture wide range of rotational moulded proprietary products in double and single wall, used for in-house processing, preserving, storage, transportation, and cold chain application. The double wall products are insulated with PUR or PE foaming to maintain the best isothermal properties. **POLARPLAS®** are also into rotational moulded pallets, active and passive plastic body refrigeration freezers and chillers, custom moulded products and injection moulded industrial crates.

**POLARPLAS®** has the best in the knowledge for the product design, innovation, productivity, and quality performances at the customer place and beyond. More details on the product, service, and offerings, please visit [www.polarplas.com](http://www.polarplas.com)

**Smooth & Plain  
Inner Surface**

**Nestable**

**With Strong & Convenient  
Handle**

**High Load Carrying  
Castor Wheels**

**Easy Stackable**

**With / Without Drain Option**

## Salient Features

- EU Certified Fit-For-Food product
- Highly durable and repairable
- PU Wheels and easy replaceable
- High Isothermal Properties
- Noiseless compare to steel buggy
- Shaftless and bearingless wheel motion
- Option of with / without Drain, Handle and Lid
- Seamless and jointless product
- Product is Nestable
- Available with multiple colours and marking option
- Optional insulated lid to retain the temperature
- Stackable with lid and wheels

## Dimension Details
