We keep it **COOL....**

POLARPLAS® a leading global plastic converting and moulding company, with a state-of-the-art manufacturing facility in rotational and injection moulding based out of Gujarat, India. The parent company established in 1996 as a green field project from Iceland went through different transformation and structural changes in its 25 years of existing, and now reincarnated to **POLARPLAS®**

POLARPLAS® manufacture wide range of rotational moulded proprietary products in double and single wall, used for in-house processing, preserving, storage, transportation, and cold chain application. The double wall products are insulated with PUR or PE foaming to maintain the best isothermal properties. **POLARPLAS®** are also into rotational moulded pallets, active and passive plastic body refrigeration freezers and chillers, custom moulded products and injection moulded industrial crates.

POLARPLAS® has the best in the knowledge for the product design, innovation, productivity, and quality performances at the customer place and beyond. More details on the product, service, and offerings, please visit www.polarplas.com

Strong Locking

Option for RFID Tag

PU Insulation

Handles with European Standard

Convenient Forklift Entry Area

Stackable with & Without Lid

Convenient Drainage with Parking Facility

Salient Features

- Certified Food Grade Raw Material
- Durable, Longer Life, and High Impact Resistance
- Safe for Direct Food Contact
- Heavy Duty and Extremely Steady Container
- Injected Polyurethane for High Insulation Property
- Also available with PE Foaming for High Impact Strength
- Easy Cleaning and Non-Porous Structure
- Product Marking and Color Coding Possibility
- Easy Stackable
- Option Available With and Without Lid
- Outer Skin available with LLDPE Or HDPE
